DISPERSION**

MONDAY, JUNE 9, 1969
WEST FARGO, NORTH DAKOTA

Ekco Imperial, grand champion bull over all breeds at the 1961 North Dakota Winter Show for Ekness Bros. He is indicative of the great quality selling in this sale.

EKNESS BROS.

COMPLETE DISPERSION SALE

Red River Valley Fairgrounds
WEST FARGO, NORTH DAKOTA

MONDAY, JUNE 9th

Sale Starts at 12:30 D.S.T.

96 LOTS SELL AS 130 HEAD

ONE OF THE GREATEST BUYING OPPORTUNITIES OF 1969

GENERAL INFORMATION

TIME—The sale will be held Monday, June 9, 1969, beginning at 12:30 C.D.T.

LOCATION—The Red River Valley Fairgrounds, one mile west of West Fargo on Interstate 94 and U. S. 75.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the sellers. All stock will be at purchaser's risk as soon as bid off.

GUARANTEE—All cattle will sell under the Standard Guarantee endorsed by the American Shorthorn Association. Statements from the block take precedence over footnote material.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle, or the condition of the premises. They will accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be made for the safety of those attending but the sellers and employees cannot accept any liability for any injuries that may occur. All persons attend this sale at their own risk.

REGISTRATION CERTIFICATE—A registry certificate will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each unborn calf sold in dam.

AUCTIONEER—Dick Kane, Wisner, Nebr.

FIELDMEN—Ted Aegerter, American Shorthorn Ass'n, Omaha, Nebr.; Ray Larson, Dakota Farmer, Aberdeen, S. D.; Albert Hamann, Rock Rapids, Iowa.

SALE MANAGER—Bill Stunkel, 1228 N. Nye Ave., Fremont, Nebr.

HEALTH—All cows calfhood vaccinated. T.B. and Bang's tests will be furnished with each animal sold and official vaccination certificates provided with all females under 30 months of age. Every lot will comply with the health regulations of any state or province.

VETERINARIAN—Dr. Aafedt, Grand Forks, N. D.

SALE HEADQUARTERS—Holiday Inn, Moorhead, Minn., at the junction of Interstate 94 and U. S. 75.

SHIPPING—All cattle to be removed from sale premises no later than the morning after the sale.

RESERVATIONS—If we can help with reservations, please call or write the Ekness Bros. or the sale manager.

Pictured are Welly Ekness, left, and Cub Ekness, right. These two fine young men "ram-rod" the Ekness Bros. Shorthorn operation.

A GREAT OPPORTUNITY !

All of us connected with the Shorthorn industry are sorry to see Ekness Bros. disperse their famed Ekco Shorthorn herd. Dispersions are never happy times for breed partisans but they do provide golden buying opportunities. Only in sales of this sort do you have the chance to buy ALL the great producing matrons in a herd.

No herd has a more illustrious record of winning championships in North Dakota than does the Ekco herd. Their Valley City record alone indicates the "purple ribbon" quality of their herd. Former sires . . . Sandoon Challenger, Eldak Campeon Max, Kelburn Crusader, Aberfeldy Sultan, and Melbourne Randolph . . . have all produced winning gets at the North Dakota Futurity. This is a fine testimonial to the quality of sires used in the Ekness herd.

Because of extensive farming interests and a shortage of help, this herd must sell. However, Cub and Welly indicate a desire to return to the Shorthorn ranks after they have had a chance to "catch their breath." So let's everyone show this fine and popular brother partnership how anxious we are to have them return to the business by attending and supporting this sale. If you are interested in adding some Shorthorn females you cannot afford to pass this one up.

BILL STUNKEL

Sale Manager.

What Is A Shorthorn Bull Worth?

What is a good Shorthorn or Polled Shorthorn commercial bull worth? Those of you who have had experience with Shorthorns know their superior profit-making ability and have a figure in mind. For those of you who have not had experience with Shorthorns, we cite this story . . .

Ray Holder, Harrisonville, Mo., used a Shorthorn bull on 20 cows of another beef breed. He used a bull of the same breed as the cows on 20 others.

Nineteen crossbred calves resulted. These were developed the same way and on the same feed as his straight-bred calves. At the end of eight months, when sold, the cross breeds averaged 189 lbs. a head more than the straightbreds and sold for the same price. The heifers sold for \$20.00 per cwt. and the steers for \$23.00.

A little arithmetic shows that the Shorthorn bull added \$43.47 to the value of every steer calf and \$37.80 to each heifer calf. If ten of these were steers and nine heifers, the added return from using a Shorthorn bull was \$774.90 on just one calf crop of 19 head.

Good Shorthorn bulls will make you money. We have the profit-making kind in this sale.

C. A. Mallett Cattle Co., Miles City, Mont., wrote a few years ago: "Our cow herd contains 600 Angus and crossbred cows. Our entire sire battery is now Shorthorn bulls. We purchased Shorthorn bulls to get a better calving percentage, a heavier calf, and a better feeding animal. Shorthorn crossbreds wean about 10 per cent heavier than straight-breds of other breeds. I think the Shorthorn cross will eliminate a lot of the cancer eye and womb troubles of the Hereford."

Tom Hawkins, Hawkins Cattle Co., Ft. Klamath, Ore., testifies . . . "In 1950 we were using only whiteface bulls. We gradually changed to all Shorthorn bulls and by 1960 we had increased our weaning weights by nearly 100 lbs. per calf. Our average calf weighed 680. We always get more for our calves than do our neighbors with another breed."

EKCO CAPTAIN J—One of the first sons of the 2,300-lb. Remitall Captain Jim, that is siring the modern kind at Melbourne Farms, Big Rock, Ill. His first sons averaged \$1,700 in the 1968 Melbourne Sale with one topping it at \$3,750. Rannoch Costly Lily has produced four full brothers to Captain Jim: the \$8,100 Remitall Gold Emblem at Melbourne; Remitall Baronet 2nd, Denver grand champion now in service for Dr. Cliff Hill, Salem, Ore., and AE Ranch, Oakland, Ore.; Remitall Triumphant, in service for Tom Hawkins, Hollister, Calif. Unfortunately, we lost this good young sire but a number of females carry his valuable service.

The winning three-bull group at the 1964 International for Truman Kingsley. The bull in the center is TK Eldak Justin, Lot 1 in this sale.

THE EKNES FEMALES . . .

The next 78 lots include the many outstanding females in the Ekco herd. There are numerous cow-calf combinations, with the cow rebred, that should prove astute investments. A number of these cows have produced several thousands of dollars worth of progeny. That in itself proves the investment worth of these matrons. There will also be a large selection of heifer calves suitable for junior projects.

Ekco Denise Duchess, Lot 20 in this sale, as she looked in 1963 when she was reserve champion female at the Valley City Futurity. She is typical of this good family.

A CHALLENGE

It has been predicted that by 1980 the U. S. population will be about 230,000,000 people consuming an average of 120 pounds of beef per person. This will require over 27 billion pounds of beef which is about 42 per cent more than was consumed in the U.S. in 1966.

Our historical dependence on western sources for feeder cattle is changing. New feedlot operations in range areas are now depleting some of the Corn Belt's dependable sources for calves. This means that Grain Belt farmers are going to have to produce more of the feeder cattle required. This March one Iowa auction market was sending two semiloads of calves each week to Colorado for feeding . . . a sign of things to come.

Then, too, 70 per cent of the material used for producing beef . . . corn stalks, wheat pasture, beet tops, etc. . . . have no higher "use-value" than beef production.

With land values increasing in range areas, the land investment to carry a cow-calf is now cheaper in many sections of the Great Plains than it is in more westerly and southwesterly range areas.

This all means a great opportunity for the cow owner in the Dakotas and Minnesota. The market for beef is growing. We need more farmers producing calves on their marginal acres. Economists predict it will be a paying proposition.

You can buy "extra" profit cows in this sale.

EKCO OREL ORANGE BLOSSOM—The highest selling bull we have ever had, Ekco Crusader Colossal, came from this family. He sold at the Canadian International for \$1,650 to Hugh Alexander. We lost her Jan. calf but she sells with a dark roan Justin bull calf out of our Ekco Queen Guaint which we had to ship due to hardware. Bred April 14th to Reflex. Her 1963 bull was champion at the Grand Forks Fair and she has had five other calves for us.

EKCO PRINCESS MAXINE—Maternal granddam of Lot 94. She was grand champion futurity female, member of 1st prize pair of females and champion get at the 1955 Valley City Futurity.

LOT 94—FEMALE

EKCO PRINCESS PENNY 3095-303

STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.

Dear Wayne,

Here is your copy of the Ekness Catalog which you requested.

I believe, after you have studied the offering, you will agree with me that this is one of the "opportunity" sales of the season.

I was most impressed with this herd upon my recent inspection. There will be cattle to suit the most critical.

Remember, too, everything sells fully guaranteed. Hoping to see you at the sale.

Sincerely,

Bill
